

April 2019 Meals on Wheels TH Recipient Update

Spring Has Sprung!

We are happy to see warmer weather, and hope you are enjoying it, too! I want to share some resources with you this month that you might be in need of!

American Red Cross Home Fire Campaign - In addition to installing free fire alarms, they also provide home-fire safety education as well as helping residents to create fire escape plans specifically tailored to their homes. You can call them at 888-684-1441 to set up an appointment or if you have any questions.

The WILL Center Wheelchair Ramps - The Ramps for Freedom Program builds Wheelchair Ramps to empower people with disabilities to ensure that they have full and complete access to their homes to promote their independence. Contact them at 812-298-9455 and ask for Danny Grissom.

The WILL Center Low Vision Program (Chapter Two) - This program assists people aged 55 and older who are experiencing issues associated with visual impairment. All Chapter 2 services are provided free of charge. Call 812-298-9455 and ask for Danny Wayne.

Meals on Wheels TH - Remember that we have our Seniors, Clothing Closet, Stay Well Checks, and we also have an extra meal service where you can get extra meals on Fridays to cover your weekend. Call the office at 812-232-3878 to talk about any of these!

Reminder! We've moved!
