

RECIPIENT UPDATE

DECEMBER 2018

NEW VISITATION PROGRAM FOR 2019

In the Terre Haute Area Meals on Wheels office, we sincerely believe that our program is more than just a meal. In fact, **“MORE THAN A MEAL”** is a national slogan for Meals on Wheels.

We are partnering with Sugar Grover Free Methodist Church to begin a visitation only program. We will start with cards and phone calls, but these volunteers would like to eventually spend one-on-one time with our meal recipients that would like that.

Charity from the office will begin calling people to talk more about this later in December. We think this would benefit many of you, and we hope you'll think so, too!
