

February 2019 Recipient Update

Hello from Meals on Wheels!

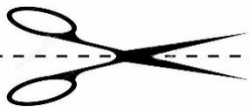

SOMETHING NEW:

Have you noticed a new label on your hot meal? We've been asked to label our meals so you know the date you should eat them by. Keeping food too long could cause it to spoil. Please eat your hot meals by the dates on the new labels. **YOU CAN ALSO FREEZE THE MEALS BY THE DATE AS WELL.** But upon reheating, eat within one day. Please call us with any questions!

HAPPY 100th BIRTHDAY:

Earl Cromwell (one of our meal recipients) is turning 100 this month! If you would like to celebrate with us, we are having a party at 3pm on Saturday, Feb. 16th at the Terre Haute VFW. Earl is a Navy Veteran, so we are looking for 100 Veterans to sing Happy Birthday to him. We cannot provide transportation, but you are welcome to attend if you can.
