RECIPIENT UPDATE JULY 2018

Extra Meals on Fridays

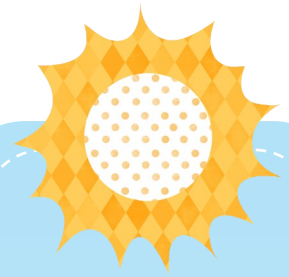

Did you know that you can get extra meals on Fridays so that you have meals for the weekend? You can get up to two extra hot and two extra cold meals each Friday. The cost is the same as regular meals. Our hot meal containers can be put into the fridge, and warmed back up in the oven or microwave. Contact the office to add extra meals to your account.

Senior's Clothing Closet Open Soon

We are excited to announce that we have a clothing closet that will be open soon, and if you are in need of clothing, we will deliver it along with your meals. As soon as our Clothing Request Form is ready, we will send it to you. If you are in dire need of something now, give us a call.
