## JUNE 2019 RECIPIENT NEWS

---

### JULY MENU OPTIONS

On the back of this newsletter you are receiving a blank menu for July. **Please return your July menu choices to a delivery driver before June 19th** to ensure we have your options. Only hot meal recipients need to make menu choices, so if you only receive cold meals, you do not need to return it (but you should still complete the July 4<sup>th</sup> form below).

### USE COOLERS WHEN YOU'RE NOT HOME THIS SUMMER

We are still working on getting coolers to everyone that needs one, so thank you for your patience with that. **When it is warm outside, please leave a cooler out for the driver if you know you will not be home during our usual delivery time.** This will help keep your food from spoiling in the summer heat. If you need a Styrofoam cooler, please let us know! The office number is 812-232-3878.

### DO YOU WANT A MEAL ON JULY 4<sup>TH</sup>?

July 4<sup>th</sup> falls on a Thursday this year. Please complete the form below (and the menu on the back if you get hot meals!) and give it to a delivery driver so we will know if you will need a meal on this holiday.
