

## March 2019 Recipient Update

Greeting from Meals on Wheels! It is beginning to finally feel like SPRING! Please enjoy these St. Patrick's Day cards from a 6th grade class at Honey Creek Middle School!

### **Have you Heard?**

We have finally finished moving into our new offices at the Wabash Activity Center! Due to the move, our monthly invoices have been delayed. Thanks for your patience as we get settled in our new home. We'll have everything back to normal soon!

### **How can we Help?**

We ask from time to time if you need anything from our clothing closet, or if you need a Stay Well check. Please reach out to us about these type of needs at any time, even if we haven't asked!
